

Chapter 2.20
WATER AND SEWER SUPERINTENDENT

Sections:

2.20.010 Office created—Appointment.

2.20.020 Powers and duties.

2.20.010 Office created — Appointment. There is created the office of superintendent of water and sewer. He shall be appointed by the mayor by and with the advice and consent of the city council. (Prior code § 5.601).

2.20.020 Powers and duties. A. The superintendent of water and sewer shall have general supervision of the combined waterworks and sewage system, including, but not limited to, the waterworks, pumping station, sewage treatment plant and all parts thereof.

B. He shall assign such work and hours to his assistants and other employees of his department subject to the direction of the mayor and city council.

C. He shall see that all grounds of the combined system are kept in proper state and a proper appearance and that all equipment and machinery is properly cared for and all city pumping operations are in working order. (Prior code § 5.602).
